Request For Correction

Dear Sir or Madam:

I am writing to request corrections to be made to the filing receipt issued for the above stated patent application. The mailing date of the filing receipt is August 30, 2007.

It appears to be missing priority information on the filing receipt. This application claims a priority to a German patent application No. 10 2004 001 982.7, that has a filing date of January 13, 2004. I am attaching a copy of the filing receipt showing the required correction as well as declaration showing that a priority is claimed.

Should you require anything further and/or have any questions regarding this matter, please contact me. Thank you very much for your attention.

Respectfully submitted,

By:
